May 3-5, 2017

SASKATCHEWAN LIBRARY
ASSOCIATION

REMEMBRANCE & RENEWAL | CONFERENCE PROGRAM

Welcome

As Conference Co-Chairs, and on behalf of the Saskatchewan Libraries Conference Planning Committee, it is our great honour to welcome you to the 2017 Saskatchewan Libraries Conference.

Each Conference has its own character and its own significance, and this year – celebrating the 75th anniversary of the Saskatchewan Library Association, as well as the 150th anniversary of Canada – we set out to celebrate both the storied past and the promising future of Saskatchewan libraries, with a Conference theme of **Remembrance & Renewal** and a northern venue to celebrate the diverse strengths of our shared mosaic.

In this vein, we hope that you will join us in enjoying this year's Mary Donaldson Memorial Lecture, as celebrated Saskatchewan author and historian Bill Waiser (a 2016 Governor General's Literary Award Winner for *A World We Have Lost: Saskatchewan Before 1905*) will emphasize not only the importance of understanding our history, but the importance of understanding how our shared concept of "history" becomes forged and defined.

We are tremendously grateful to our great team of volunteers, to our wonderful sponsors and exhibitors, and to the tireless staff of the Saskatchewan Library Association office.

We thank you for joining us to celebrate the 75th anniversary of the Saskatchewan Library Association, and to celebrate the 150th anniversary of Canada. So here's to the next 75 years, and here's to the next 150; welcome to the 2017 Saskatchewan Libraries Conference – and welcome to the North!

Sincerely,

James Hope Howard
Conference Co-Chair

William Sgrazzutti
Conference Co-Chair

Welcome SLA members, speakers, exhibitors, sponsors, and special guests to the 2017 Saskatchewan Libraries Conference! This is a very special occasion as the conference celebrates the 75th anniversary of the association's establishment at the Regina Public Library in 1942. The conference theme, **Remembrance and Renewal**, signifies SLA's humble beginnings to embracing a bold mission of being the voice of, and support for, the province's library communities.

This year and in the midst of this celebratory time, I think it is important to note that the budget crisis that public libraries currently face is unprecedented in the history of the SLA. Over 300 libraries will face the elimination of a multitude of life-long learning resources and services to people of all ages in dozens of communities. There is a groundswell of support and action by the general public, libraries, and other stakeholders. SLA's key advocacy message is to encourage everyone to tell the impact libraries have had in their lives and to share it with key decision makers in government. Libraries and library workers in Saskatchewan are resilient in challenging times and are adaptable to change.

Let's make this conference a memorable one by celebrating SLA's past accomplishments and collaborating and sharing ideas about timely topics. Finally, let's also have fun, meet new people, and enjoy the spectacular venue and natural surroundings of Waskesiu!

Sincerely,

Michael Shires

President, Saskatchewan Library Association, 2016-2018

50th Annual Mary Donaldson Memorial Lecture

BILL WAISER

Henry Kelsey Revisited

Wednesday, May 3, 2017 | 7PM

Elk Ridge Resort, Waskesiu, SK Wapiti Room (lower level)

Everyone is welcome. Admission is free.

President's Reception to follow.

In 1690-92, Hudson's Bay Company servant Henry Kelsey became the first known European to see the northern plains and great bison herds in present-day east-central Saskatchewan. But how did Kelsey know where he was going, let alone survive two years in the western interior? Bill Waiser will re-examine the Kelsey story to come to a different understanding of his famous trip and its larger meaning for Native-newcomer relations.

SLA established the Mary Donaldson Memorial Lecture Series in May 1967. The lectures are given annually by leaders in the field of library science or related fields. Initially it was sponsored by the Mary Donaldson Memorial Trust which was established in 1966 to honour the memory of Mary Donaldson, who was Saskatchewan's first Provincial Librarian from 1951 until her death.

Awards

Maureen Woods Education Bursary

This \$5000 bursary was made possible by a generous donation from the Saskatchewan Provincial Library & Literacy Office (a branch of the Ministry of Education) and through the efforts of the Multitype Library Board and the Saskatchewan Library Association (SLA). Established in 2002, this bursary was created to promote the continued growth of professional librarianship in the province of Saskatchewan. SLA is honoured to administer this bursary.

Mary Donaldson Award

The Mary Donaldson Award of Merit was established in 1977 to provide a bursary to a full-time or part time Saskatchewan student who enrolls at the Library and Information Management Program at Saskatchewan Polytechnic in Saskatoon. The Mary Donaldson Memorial Trust was established in 1966 to honour the memory of Mary Donaldson, who was Saskatchewan's first Provincial Librarian from 1951 until her death in 1966. SLA established the Mary Donaldson Memorial Lecture Series in May 1967. The lectures are given annually by leaders in the field of library science or related fields. While the lectures are designed primarily for librarians in the province, they are open to the public in the belief that library trustees and friends of the libraries will also find them thought-provoking and challenging.

SLTA Lifetime Achievement Award

The Saskatchewan Library Trustees' Association (SLTA) confers an Honorary Lifetime Membership to a member or past member of the SLTA to recognize distinguished service as a trustee in the library field at the local, provincial, or national level. The Honorary Lifetime Achievement Award was initiated in 1975 and since then has been awarded to many worthy individuals who have contributed to the establishment and maintenance of Saskatchewan's one-province public library system, which is the envy of the country.

Sponsored by

SLA Frances Morrison Award

Frances Morrison joined the staff of the Saskatoon Public Library in 1943 and was the Chief Librarian from 1961 to 1980. During the time she was with the library, she saw the library staff grow from 13 to more than 90. As Chief Librarian she directed the construction of two new branches, including the branch that bears her name. In 1981 she was awarded the Canadian Library Association's Outstanding Service to Librarianship Award. In 1999 she received the Saskatchewan Order of Merit for her contributions to library services in Saskatchewan. In 1982, Frances Morrison joined with SLA in creating this award. The SLA Frances Morrison Award is an award of merit for outstanding service to libraries given in the name of one of Saskatchewan's exceptional librarians. This award is open to all individuals, institutions or groups, and is not restricted to professional librarians or SLA members.

Honourary Life Membership Award

The Honourary Life Membership Award is conferred upon anyone who has made a substantial and recognizable long-standing contribution to SLA and/or library service in Saskatchewan. As a member of SLA for life, the recipient has full voting privileges, does not pay annual dues, receives all association publications, and may serve on committees. As well, this membership entitles the recipient to discounts at all SLA functions and workshops.

Aside from the Lifetime Achievement and TD, these awards are sponsored by

SLA

ASSOCIATION

TD Summer Reading Club Library Awards

The TD Summer Reading Club is co-created and delivered by 2,000 public libraries across Canada. Development of this national, bilingual program is led by Toronto Public Library in partnership with Library and Archives Canada. Sponsorship is generously provided by TD Bank Group.

The TD Summer Reading Club Library Awards recognize and reward the most effective and innovative TD Summer Reading Club programs offered in local public libraries across Canada. The Awards were established to promote excellence in summer reading programs by:

- celebrating creative library staff who engage children in the joy of reading through their TD Summer Reading Club program.
- promoting community partnerships that strengthen children's reading skills.
- facilitating the sharing of information among public libraries across Canada so that they can further develop exemplary summer reading programs.

The TD Summer Reading Club Library Awards are sponsored by TD Bank Group, a committed and generous supporter of children's literacy across Canada. Library and Archives Canada is the national coordinator of the awards.
