CONFERENCE PROGRAM

W E L C O M E

On behalf of the Canadian Federation of Library Associations, the Board of Directors and the National Forum Planning Committee it is my absolute honour to welcome you to CFLA-FCAB's first National Forum in Regina, Saskatchewan.

The National Forum is taking place in conjunction with the annual Saskatchewan Libraries Conference. We are tremendously grateful to the Saskatchewan Library Association (SLA) for the invitation to host the Forum alongside their annual conference and we are inspired by SLA's collaboration and collegiality.

The theme, Libraries! Convergence Under Living Skies encourages libraries from across Canada to work together to identify commonalities, share experiences, and plan together for our shared future.

The National Forum asks you to participate in focussed dialogues that will consider some of the most critical challenges facing libraries and contribute towards crafting outcomes that will inform CFLA-FCAB's work as it strengthens and moves forward on critical policies.

I am very excited to note that CFLA-FCAB will celebrate its 2nd anniversary on May 16, 2018.

Undoubtedly, it is through the passion, experiences and diverse voices of Canada's library sector that this organization will continue to flourish and mature into the strong and respected national voice that champions libraries and library values.

We extend our gratitude to the speakers, panelists, exhibitors, sponsors, dedicated staff and volunteers who have made this event a reality.

Finally, thank you to every single person attending CFLA-FCAB's first National Forum. Your voice is what will enliven this day. Your voice is what will shape the outcomes for tomorrow.

Sincerely,
Alix-Rae Stefanko
Chair
Canadian Federation of Library Associations

Au nom de la Fédération canadienne des associations de bibliothèques, du conseil d'administration et du Comité de planification du forum national, j'ai le très grand honneur de vous souhaiter la bienvenue au tout premier forum national de la FCAB-CFLA, qui se tient à Regina en Saskatchewan.

Le forum national est organisé de concert avec la conférence annuelle de la Saskatchewan Libraries Association (SLA). Nous sommes extrêmement reconnaissants envers la SLA, qui nous a proposé de tenir notre forum dans le cadre de sa conférence annuelle. L'esprit de collaboration et de collégialité de la SLA est pour nous une véritable source d'inspiration.

Le thème de cette année, Libraries! Convergence Under Living Skies, encourage les bibliothèques de partout au Canada à collaborer dans le but de déterminer leurs points communs, de partager leurs expériences et de planifier ensemble un avenir à partager.

Le forum national sollicite votre participation à des échanges qui porteront sur les défis les plus importants auxquelles les bibliothèques sont confrontées, contribuant ainsi à forger des résultats qui éclaireront le travail de la FCAB-CFLA dans ses efforts de renforcement et d'élaboration de ses politiques cruciales.

Je suis ravie de constater que la FCAB-CFLA célébrera son 2e anniversaire le 16 mai 2018.

Il ne fait aucun doute que la passion, les expériences et les voix diverses du secteur canadien des bibliothèques permettront à cette organisation de continuer à prospérer et à devenir le porte-parole national efficace et respecté des bibliothèques et de leurs valeurs.

Nous tenons à remercier les conférenciers, les experts, les exposants, les commanditaires, et les employés et les bénévoles dévoués qui ont facilité la tenue de cet événement.

Pour terminer, j'aimerais remercier celles et ceux qui prennent part à ce premier forum national de la FCAB-CFLA. C'est vous qui donnerez vie à cette journée. C'est votre voix qui façonnera nos résultats de demain.

Salutations cordiales,
Alix-Rae Stefanko
Présidente,
Fédération canadienne des associations de bibliothèques

W E L C O M E

Welcome to Regina!

It's hard to believe the day has finally arrived – that you've arrived! It seems like such a long time since we invited our nation of libraries to join us for the 2018 Saskatchewan Library Association Conference.

You cannot know how happy we are to have been selected as the site of the very first national forum for our newly minted Canadian Federation of Library Associations. It is an honour to also host the national meetings of the Canadian Urban Libraries Council and the Canadian Association of Research Libraries. Saskatchewan's library community is so looking forward to working with you to create a week of library convergence, under living skies.

Even as I write "under living skies" it makes me nervous. Early spring can be an interesting time for weather in Regina. So, for the forum and conference, I suggest that our living skies be those of posited hypotheses, intense discourse, mutual understanding, and the shameless networking that comes with a library conference.

I invite you to converge and enjoy.

Jeff Barber
Conference Committee Chair

Bienvenue à Regina!

Difficile de croire que le jour est enfin venu, que vous êtes arrivés! Il semble que beaucoup de temps s'est écoulé depuis que nous avons invité les bibliothèques de tout le pays à se joindre à nous dans le cadre de la conférence 2018 de la Saskatchewan Library Association.

Vous ne pouvez pas imaginer à quel point nous sommes heureux d'avoir été choisis pour organiser le tout premier forum national de notre nouvelle Fédération canadienne des associations de bibliothèques. C'est également un honneur d'accueillir les réunions nationales du Conseil des bibliothèques urbaines du Canada et de l'Association des bibliothèques de recherche du Canada. La communauté des bibliothèques de la Saskatchewan se réjouit déjà à l'idée de collaborer avec vous pour faire de cette semaine une période de convergence de vues entre bibliothèques, sous des cieux vivants.

Le simple fait d'écrire « sous des cieux vivants » me rend nerveux. Le début du printemps peut en effet être intéressant à Regina au plan météorologique. Donc, pour le forum et la conférence, je propose que nos cieux vivants soient le théâtre de postulats d'hypothèses, d'échanges intenses, d'une compréhension mutuelle et d'un réseautage débridé inhérent à toute conférence de bibliothèques.

Je vous invite à vous joindre à nous et à profiter de ces moments.

Jeff Barber
Président du Comité de la conférence

WELCOME

I extend a warm welcome to all delegates, presenters, exhibitors, sponsors, and guests to the 2018 Saskatchewan Libraries Conference in Regina on May 3-4! This is a special occasion as our conference is part of a week-long extravaganza of associations and individuals from Saskatchewan and across Canada coming to Regina. I'm very honoured that the Canadian Urban Libraries Council/Conseil des Bibliothèques Urbaines du Canada and the Canadian Association of Research Libraries/Association des Bibliothèques de Recherche du Canada are holding meetings and that the Canadian Federation of Library Associations/Fédération canadienne des associations de bibliothèques is having its first National Forum here a few days earlier. As SLA's conference theme states – this is an historic convergence, under the prairie city's magnificent living skies, of a very diverse group of people to discuss, present, collaborate, and share ideas during the week of May 1-4. SLA's two-day conference, along with the other events occurring earlier, will have exciting learning opportunities and engaging socials that will appeal to library workers in all sectors. I hope you enjoy your extended stay in Regina, the Queen City!

Michael Shires
SLA President, 2016-18

Je souhaite chaleureusement la bienvenue à l'ensemble des délégués, conférenciers, exposants, commanditaires et invités à la conférence 2018 de la Saskatchewan Libraries Association qui se tiendra à Regina les 3 et 4 mai. Notre rendez-vous prendra la forme d'une semaine d'activités multiples à ne pas rater, organisées par des associations et divers intervenants qui viendront à Regina en provenance de Saskatchewan et de partout au Canada. Je suis très honoré du choix qu'ont fait le Canadian Urban Libraries Council/Conseil des bibliothèques urbaines du Canada et la Canadian Association of Research Libraries/Association des bibliothèques de recherche du Canada de tenir des réunions pour l'occasion. La Canadian Federation of Library Associations/Fédération canadienne des associations de bibliothèques en profitera également pour organiser en nos murs, dans les jours qui précéderont la conférence, son tout premier forum national. Comme le rappelle le thème de la conférence de la SLA, il s'agira du rassemblement historique, sous les cieux vivants de notre ville des Prairies, d'un groupe très diversifié de gens venus discuter, présenter, collaborer et partager des idées dans la semaine du 1er au 4 mai. La conférence de deux jours de la SLA et les autres événements prévus dans les jours qui précèdent offriront des possibilités d'apprentissage intéressantes et permettront des échanges sociaux enrichissants pour les employés de bibliothèque de tous les secteurs d'activité. J'espère que vous profiterez bien de votre séjour prolongé à Regina, ville reine des plaines!

Michael Shires
Président de la SLA, 2016-2018

The Mary Donaldson Memorial Trust was established in 1966 to honour the memory of Mary Donaldson, who was Saskatchewan’s first Provincial Librarian from 1951 until her death in 1966. SLA established the Mary Donaldson Memorial Lecture Series in May 1967. The lectures are given annually by leaders in the field of library science or related fields. While the lectures are designed primarily for librarians in the province, they are open to the public in the belief that library trustees and friends of the libraries will also find them thought-provoking and challenging.

That’s the epitome of this week-long conference Libraries! Convergence Under Living Skies

What does it mean to be a gallery, a library, an archive or a museum in the world today?
What does it mean to be the keeper and curator of all creation when computer programs are designed to assimilate our thinking and societal changes are rocking the very foundation of protecting the rights to partake in the sharing of knowledge without repercussion?

Bruce Walsh, founding Director of the University of Regina Press and prize-winning publisher will share his experiences as an advocate for intellectual freedom, activist for Reconciliation, and entrepreneur to explore ways in which we can move the status quo without losing sight of our fundamental role in society.

FAKE NEWS IN THE POST TRUTH ERA:
THE DECLINE OF MEDIA LITERACY

The rise of fake news is a fascinating and alarming trend that threatens media literacy. Three dynamic local media experts will share their views on the implications of fake news. Their greatest areas of concern are the major complicating challenges of evaluating information in 2018 and the role of libraries in helping people navigate information in a post truth era, regardless of their political beliefs.

MAUREEN WOODS EDUCATION BURSARY

This \$5000 bursary was made possible by a generous donation from the Saskatchewan Provincial Library & Literacy Office (a branch of the Ministry of Education) and through the efforts of the Multitype Library Board and the Saskatchewan Library Association (SLA). Established in 2002, this bursary was created to promote the continued growth of professional librarianship in the province of Saskatchewan. SLA is honoured to administer this bursary.

MARY DONALDSON AWARD OF MERIT

The Mary Donaldson Award of Merit was established in 1977 to provide a bursary to a full-time or part time Saskatchewan student who is enrolled in a Library and Information Technology (LIT) Program offered by a Canadian post-secondary educational institution. The Mary Donaldson Award, along with the annual Mary Donaldson Memorial Lecture, was established in 1966 to honour the memory of Mary Donaldson, who was Saskatchewan’s first Provincial Librarian from 1951 until her death in 1966.

The Mary Donaldson Award is supported yearly by individual members of the Association, library boards, library associations, library trustees and friends of Mary Donaldson.

SLTA LIFETIME ACHIEVEMENT AWARD

The Saskatchewan Library Trustees’ Association (SLTA) confers an Honorary Lifetime Membership to a member or past member of SLTA to recognize distinguished service as a trustee in the library field at the local, provincial, or national level. The Honorary Lifetime Achievement Award was initiated in 1975 and since then has been awarded to many worthy individuals who have contributed to the establishment and maintenance of Saskatchewan’s one-province public library system, which is the envy of the country.

SLA FRANCES MORRISON AWARD

Frances Morrison joined the staff of the Saskatoon Public Library in 1943 and was the Chief Librarian from 1961 to 1980. During the time she was with the library, she saw the library staff grow from 13 to more than 90. As Chief Librarian she directed the construction of two new branches, including the branch that bears her name. In 1981 she was awarded the Canadian Library Association’s Outstanding Service to Librarianship Award. In 1999 she received the Saskatchewan Order of Merit for her contributions to library services in Saskatchewan. In 1982, Frances Morrison joined with SLA in creating this award. The SLA Frances Morrison Award is an award of merit for outstanding service to libraries given in the name of one of Saskatchewan’s exceptional librarians. This award is open to all individuals, institutions or groups, and is not restricted to professional librarians or SLA members.

HONOURARY LIFE MEMBERSHIP AWARD

The Honourary Life Membership Award is conferred upon anyone who has made a substantial and recognizable long-standing contribution to SLA and/or library service in Saskatchewan. As a member of SLA for life, the recipient has full voting privileges, does not pay annual dues, receives all association communications, and may serve on committees. As well, this membership entitles the recipient to discounts at all SLA functions and workshops.

T H A N K Y O U

The Saskatchewan Library Association (SLA) is a provincial, volunteer, non-profit organization whose mandate is to further the development of library service in Saskatchewan and through libraries, the culture of the province. SLA achieved charitable status in 2003.

SLA provides information, advocacy, awareness, education, membership benefits and cultural opportunities for library workers and the public at large through its general operations and programs.

We welcome everyone to the 2018 Saskatchewan Libraries Conference!

Biblio Files: A History of the Regina Public Library

Edited by Susan Birley, Anne Campbell, and Jeannie Mah

“Where people are free to learn, to share, to explore, to feel and dream, liberty grows. This is why the library matters so much.” Margaret Atwood

For over 100 years, the Regina Public Library has served its community with innovative programming. Covering the library’s entire history, *Biblio Files* reveals the full story of this beloved institution.

CODE OF CONDUCT FOR PUBLIC EVENTS

The Saskatchewan Library Association is proud of the professional development, professional collaboration, and community interaction that occur each year during the SLA Conference and other SLA events. Our strength in providing these opportunities is due to the dedicated members of our association who work to bring people together, encourage communication and interaction between library sectors and communities, and continue their own professional growth and share their knowledge and expertise with the whole library community.

SLA is dedicated to providing a positive event experience for all participants, and expects attendees, speakers, exhibitors, volunteers, and staff to show respect and courtesy toward one another at all conference, conference-related events, and other events related to the work of SLA. We value ideas, thoughts and expression, and we appreciate new pedagogy when delivering workshops and sessions. Discriminatory language and imagery is not appropriate for any event venue, including talks, workshops, sessions or any community event online or in a face to face environment.

SLA does not tolerate harassment in any form. Harassment is understood as any behaviour that threatens another person or group, or produces an unsafe environment. It includes offensive verbal comments or non-verbal expressions related to gender, gender identity, gender expression, sexual orientation, disability, physical appearance, body size, race, age, religious beliefs, sexual or discriminatory images in public spaces (including online), deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. See the process for addressing harassment in Section 6.1.9 of the SLA Governance Documents on website.

If at any time, a presenter, guest, delegate or visitor feels that they have been harassed or that this code of conduct has been breached, it is important that this person report it to an SLA board member or volunteer.
