

## Trevor Herriot's film title suggestions for screening at OBOP events

### 1. ***Returning to Ste. Madeleine***

"This year at Ste. Madeleine Métis Days, we opened with an announcement that righted a historical wrong, allowing us to reclaim Ste. Madeleine. "It's a memory we're not going to forget," said President Chartrand of signing a memorandum of understanding with Premier Wab Kinew, which immediately returns 100 acres of land to the Red River Métis, among other things. ### 2. ***No Longer Welcome. Ste. Madeleine***

A film produced by YourEye Productions for the Métis National Council

Excellent film, with historical context, so not just about Ste. M Days celebrations. Posted on YouTube five years ago.

### 3. ***Ste. Madeleine. Community without a Town***

An older video that was made in the early '90s, so the quality is not as good as other films but it really gives a vivid sense of how the people have maintained their connection to the land.

Other possibilities:

### ***Road Allowance People***
